

TICKET™

**ARCH.
SERIES**

IN-WALL STEREO/HOME THEATER FRONT/CENTER/SURROUND

COMPACT, AFFORDABLE, HIGH-PERFORMANCE IN-WALL SPEAKER

Significantly smaller than the Passage, the elegant, affordable Ticket is nonetheless a very strong performer. Its dual long-throw, high-resolution woofers, integrated dome tweeter, and advanced Vojtko crossover deliver rich, clear sound and superb stereo imaging. Ticket also features paintable end caps and a selection of grille colors for perfect matching with any décor. Its quick and easy, yet very secure, installation system is the same used in Voyage and Passage.

<i>Frequency Response</i>	75–20,000 Hz ± 3dB
<i>Sensitivity</i>	88 dB/2.83 volts/meter
<i>Impedance</i>	8 Ohms. Compatible with 4, 6, or 8 Ohm rated amplifiers.

Application:

Home theater front/center/surround and stereo in-wall loudspeaker for small rooms.

Although compact and affordable, Ticket is an excellent performer, boasting sound quality more akin to what you would hear from our floor standing speakers than from a conventional in-wall.

Key Features:

- High-resolution dome tweeter
- Dual 4-inch low-distortion aluminum cone woofers
- Precision Vojtko™ crossover
- Rigid aluminum chassis
- Quick, no-hassle installation
- Paintable end caps
- Fully paintable option
